See what makes Heat Holders so warm...

- 

Advanced Insulating Yarn
Our specially developed advanced fibres provide high performance and superior moisture wicking abilities.
- 

Long Looped Thermal Pile
Innovative knitting technology produces our unique, extra long looped cushion pile to hold in more warm air, increasing the thermal tog rating!
- 

Soft Brushed Inner
Finally, an intense brushing process maximises the amount of warm air held inside the sock for all-day warmth and comfort.
