MADE IN USA

Sportube Hard Travel Cases

Proudly made in the USA, Sportube hard cases are strong, durable and lightweight. Check them with airlines, ship them with any carrier, or strap them to the roof of a vehicle for easy and convenient travel no matter the destination. Some airlines only accept liability for damages if your gear is checked in a hard case. Sportube hard travel cases are the best on the market and offer superior protection when compared to soft bags.

Easy Pull Handle
Improves comfort and maneuverability.

Handles
Handles are ergonomically positioned.

Hard Plastic Shell
Made of HDPE, Sportubes are resilient to abuse and damage.

Adjustable
Telescopic design is easily adjustable in length.

Security
Lockable with a Sportube TSA Lock. Non-locking Wire Case Pin incl. with all cases.

Wheels
Durable, rubber wheels improve maneuverability.

All Sportube cases come with a 5 year manufacturer's warranty.

Color options

*Silver Platinum color is our Special Edition option and includes a TSA lock, Nic Nac Pack and Lifetime Warranty.

Ski Shield™ 2

Color options

A premium, fully padded, wheeled multi-ski bag, the Ski Shield™ 2 features GearShield™ Technology—a high-density polyethylene plastic sheathing surrounded by thick padding. This adds valuable protection to the tips and tails of skis, the areas generally on the receiving end of airline abuse. Undoubtedly, the next best thing to a Sportube hard case.

Ski Shield Double™ Ski Bag Specs

- Fits two pairs of skis/poles up to 190cm
- Strong, lightweight 600D (prints) or 840D (solids) and 1680D polyester ballistic material for added strength and durability
- Hitchin Technology™ allows a Sportube boot bag to easily connect to the Ski Shield™ 2

- Internal pockets for personal items
- 7.5 lbs. (3400 grams)
- 8,238 cubic inch capacity (135 liters)
- 3 years manufacturer's warranty
