PERFORMANCE INNOVATION SINCE 1888

**CLEAR**   **YELLOW**   **PINK**   **AMBER**   **BROWN**   **GREY**

Protect your eyes during night or foggy conditions.

Ideal for low light conditions, yellow lenses enhance depth perception for improved visibility.

Excellent for a variety of conditions, pink lenses maximize color definition and depth perception.

Great for bright light conditions, amber lenses manage yellow light for optimal comfort.

Ideal for sunny conditions, brown lenses amplify color contrast and deliver superior visual definition.

Grey lenses maintain natural color perception, ideal for bright light conditions.
